1.1 Notes on Operation

System Requirements and Operation Confirmation Terminals

Classification	System requirements and supported terminals
PC	Chrome Edge

*The operation confirmation terminals have been determined as a result of checking and do not guarantee proper operation.

*The images may not be properly displayed depending on the model or browser.

*The operation was confirmed with the latest version as of the date when it was performed.

*The service may be available from a terminal that does not meet the system requirements described in the terms of use or other than the operation confirmation terminals, but NTT West does not guarantee proper operation with such a terminal. Some of the screens may not be displayed or work correctly.
